PUPPETEER PLAY DIRECTIONS

Play No. 1

LITTLE RED ROBIN'S BABY KANGAROO

Show time: 5 minutes, 31 seconds

A Piano (1) is on the left-hand side of the stage as you face the stage. Red Robin (2) comes in from the right-hand side and dances and hops around, then goes over and plays the piano. Mother (3) comes in from the left-hand side and tells Red Robin: "You've been so good I've bought for you a little Baby Kangaroo". The Baby Kangaroo (4) hops in from the right. Then in comes the Doctor (5) from the left, and he frightens away the Kangaroo. Red Robin is in tears. In comes clever young black tracker Little Jacki Sprout (6) who says he will go and find the Kangaroo and "fetch him back".

Red Robin sings a song about her kangaroo and then Jackie keeps his promise - the Baby Kangaroo comes back from the right side of the stage. Red Robin is so delighted she jumps on the Kangaroo's back. They hop around the stage and finally leap off to the music - with Red Robin riding on the back of her Kangaroo.

That's All!

There is a film demonstration of this play in the
OZ Home Puppets section of Jim's web site at www.vickers-willis.com
