THE TRICK VACUUM CLEANER

Show time: 8 minutes, 24 seconds

Willi (1) is cleaning up with a vacuum cleaner (2) when The Nasty Old Wolf (3) surprisingly offers to take over so Willi can take Red Robin out to dinner - but the Wolf is really up to his old tricks again. He adds a sucker attachment to the vacuum cleaner (4) - he intends to catch Red Robin and the other cast members for his lunch by sucking them into the vacuum cleaner. The Wolf has hiccups from already eating too much - two wombats and a wallaby.

Strawbrains Pig (5) joins The Wolf on stage. The Wolf tricks Strawbrains, asking him to stand in front of the vacuum with sucker attached by offering to take his picture with a camera (6). The Wolf exits from the stage to turn on the camera - but really he turns on the vacuum cleaner and sucks in Strawbrains (Strawbrains exits stage at rear near the vacuum cleaner - make it look like he was sucked into the vacuum).

Red Robin (7) enters the stage singing her song, and The Wolf also tricks her by saying he will take her picture - and then sucks her into the Vacuum Cleaner too.

That's all!
